

Women in the Outdoors events provide opportunities for women to learn new skills, meet people with similar interests, and obtain a greater understanding of managing wildlife. This event is open to women ages 14 and older that want to get hands-on experience and develop skills in outdoor activities, all in a fun, non-threatening environment. Come join the fun at our Women in the Outdoors event

WOMEN IN THE OUTDOORSSM COURSES:

A. Shotgun Handling & Sporting Clays:

This course will teach you shotgun safety, the different types of targets and the fundamentals of shooting sporting clays.

B. Dutch Oven Cooking: Participants will be cooking a meal for the event's participants as your instructors share their favorite recipes and techniques using dutch ovens.

C. Feather Art Jewelry: Learn how to make earrings or a pendant out of beautiful things found in nature.

D. Bluebird Nest Box Assembly: Building and maintaining a blue bird nest box. Great family project.

E. Bat House Assembly with Night Bat Viewing Activity: Building and maintaining a bat house and evening venture to see bats in their natural environment.

F. Wood Carving: Learn the art form of wood carving from the experts at Rock River Valley Carvers. Create your very own carving during class.

G. Yoga in Nature: Strengthen and tone your mind, body and spirit to become one with nature. Learn basic yoga techniques in an outdoor setting.

H. Introduction to Handguns and .22 Rifle, Target Shooting and Basic Gun

Cleaning: Learn how to use & clean guns. We will supply .22 caliber rifles, pistols and ammunition.

I. Conceal Carry Instruction: Wisconsin conceal carry course taught by NRA-certified firearms instructors.

J. Archery: After our certified instructor discusses the safe use and selection of equipment, you will be able to test your skills on the target range.

K. Canoeing on the Rock River: Introduction to canoeing on the Rock River. (onsite)

L. Food Preservation: Learn to prepare and preserve different types of food with pressure cooking, freezing, dehydrating, vacuum packing, etc.

M. Jelly Making and Water Bath Canning: Introduction to jelly making and preserving and water bath canning.

N. Nature Photography: Photography taken outdoors and devoted to displaying natural elements such as landscapes, wildlife, plants, and close-ups of natural scenes and textures.

O. Wildflower Gathering and Arranging: Foraging, gathering and arranging in season wildflowers.

P. Locavore Movement: "Locavore" is a person interested in eating food that is locally produced, not moved long distances to market. One common - but not universal - definition of "local" food is food grown within 100 miles of its point of purchase or consumption. The locavore movement in the United States and elsewhere was spawned as a result of interest in sustainability and eco-consciousness becoming more prevalent.

New this year ~ This is a two day event with the choice of attending one or both days.

Registration fees are \$55.00 for a single day (Saturday) or \$90.00 for both days.

Please specify with your registration if you will be attending one or both days.
